RCA Commercial Electronics

Patient Room Features

Slim 1.8" Cabinet ..... A thinner cabinet reduces weight, and allows the TV to sit closer to the wall when mounted.

Bed 1/2/3 ..... Up to three TVs can be controlled in the same room without interfering with each other.

Antenna/Cable Merge ..... Ability to merge different video frequencies into a single channel lineup.

Channel Labeling ..... Allows channels to have individual customized labels.

Digital/Analog Channel Sort ..... Allows channels to be sorted by type instead of by channel number.

Auto Detect Side A/V ..... Allows users to easily connect peripheral devices to side input without the use of remote.

Initial Channel ..... Sets the input/channel for the TV to tune when turned on.

Channel Hold ..... Locks current channel to prevent channel changes by user.

Volume Limiter/Initial Volume ..... Sets the minimum, maximum and initial volume settings when the TV is turned on.

USB Cloning Capable ..... Allows rapid duplication of TV configurations for easy installation and maintenance.

USB File Play ..... Allows guests to play MP3 and JPG files, as well as charge mobile devices.

Auto Power Off ..... Allows the TV to turn off after a selectable period of inactivity.

Master & Guest Remotes ..... Separate remotes for configuration and operation.

Front Panel/Menu Lockout ..... Allows facility to disable front panel and menu controls to make television "tamper proof".

Low Power Usage ..... Uses only 35 watts while in full operation.

Energy Saving Features ..... No signal/activity power off, ambient back lighting control, less than 1 watt in standby mode, low power LED.

VESA Standard Mount Pattern ..... Wall mount your TV using standard mounts.

1 Year Exchange Warranty ..... We ship you a new TV immediately to minimize down time.
