## SE SERIES

### The Clear Answer to Security.

Introducing the new RCA SecureView Series HD TV with a see-through clear cabinet that allows a complete view of the entire contents of the set's interior, including electronic circuitry. Tamper resistant screws help prevent unwanted back panel removal. RCA's all-clear polycarbonate cabinet television can address your security and safety issues, without costly and time-consuming television inspections. Timing features removed, and optional model without internal speakers, make the RCA SecureView the clear answer to security.
